## **SHAREHOLDER PROPOSAL FOR BOEING 2010 SHAREHOLDERS' MEETING**

### **Human Rights Committee of Boeing Business in China**

Whereas, mindful of the severe abuses of basic human rights by the Government of China to punish its people for expressing and exercising the free speech and free association rights (for example, I myself, born in Beijing and graduated from Tsinghua University in Beijing, was deprived of my Chinese citizenship in 1996 without any document), and

Whereas, taking into account the fact that U.S. laws prohibit the involvement of U.S. companies in major human rights abuses taking place in foreign nations, specifically in China,

Therefore, be it resolved, that shareholders request that Boeing establish a Human Rights Committee with the responsibility to review and approve all policies and actions taken by the Company that might affect human rights observance in countries where it does business, or where its products and technologies are being sold or used. This Committee will follow the Universal Declaration of Human Rights and will include high-level officials of Boeing, and respected outside human rights experts (especially with knowledge of China's human rights situation) to help Boeing understand the human rights impacts of Boeing business abroad, especially in China.
